

Sips & Suds Laundromat

Is now expanding our services to include a

“Commercial wash n fold service” for restorable clothing damaged by either water or smoke.

We have 3,000 sq. ft. of retail space conveniently located just minutes north of the Q.E.W. in St. Catharines.

The addition of the commercial wash n fold service is the natural evolution stemming from our extremely popular **“Drop & Go”** & **“Valet”** wash n fold services, and our **“12 to 24 hr. retail”** wash n fold service for business within and around Niagara on the lake, Niagara falls, Chippewa and St. Catharines.

This includes but not limited to **Uniforms for hotel & restaurant staff including associates: Linen, blankets & towels for B & B’s** along with **table linen & napkins from Banquet halls and clubs.**

Our inventory encompasses 34 commercial washers & 22: 80,000 BTU stainless steel natural gas commercial dryers.

Combined with our highly trained staff **this enables us to process 600lb. of clothing per wash & dry cycle. (average 60 minutes).**

Multiply this by 11 cycles per day, 7 days a week, 350 times a year and you quickly come to realize that our capacity to serve your specific needs swiftly and professionally is second to none.

We look forward for the opportunity to meet with you in the near future where we can discuss laying down the foundation to a potentially rewarding partnership.

Sincerely: Marsha & Tony
